We are forwarding the information that you requested concerning the monitoring well 53-91 that was being drilled September 23, 1991 Attached are the following

- Analytical Results, borehole soil analytical results for the five samples taken (attachment 1) Note that a water sample was taken the last week of November and results will probably not be available for several months
- Borehole Logs, including the Borehole [lithologic] Log (attachment 2), Well and Piezometer [completion] Report (attachment 3), and Well Development and Sampling Form (attachment 4).
- Daily Well Forms, for monitoring, sampling collection and field activities (attachment 5)

This information should address all of your questions. If you have any additional questions, please contact Scott Grace of my staff at 966-7199

Sincerely,

David P. Simonson
